

ENJOY THE SERENITY

Enjoy the serenity is a well-used phrase for properties that often don't quite meet up with your expectations, however, I can assure you it is not being miss-used in this particular case.

Surrounded on all sides by farming properties with views to the Baw Baw mountains on one side and to the Strzelecki Ranges on the other, this vacant 2468m2 (just over half an acre) of flat land will make an ideal house site for the retiring farmer or those that like the open spaces without the responsibility of maintaining small acreage.

Located in the small hamlet of Westbury with sealed road frontage and being less than 5 minutes from the Moe CBD you cannot go wrong if you build your new home on this site.

This block is the proverbial "rare as hen's teeth" so even if you're not ready just yet, think about land banking until you are.
