

One for the Empty Nesters

You can feel the love that has gone into making this house a home!

A very neat 2 bedroom brick veneer home with stunning gardens that are a veritable feast for the senses incorporating an array of flowering plants, succulents, specimen flowering trees and to top it off a variety of fruit trees and veggie patch that are watered by rain water tanks. For those that like to potter around the garden and grow your own veggies you will fall in love with this home.

Inside there's a generous sized living/dining area, the perfect place to relax with window views of your impressive garden haven which is sure to put you in a great mood.

A light and bright kitchen is very serviceable, there's ample storage throughout and a single car garage.

Downsizing into a smaller home that caters for the ever increasing living costs is a much smarter way to live in your retirement or finding your feet for your first home. This property offers simplicity and has a solar system & rain water tanks to offset costs.

Jump on this one quick to secure your own little piece of paradise.
