

A Touch Of Class

Strzelecki Realty are proud to present this well built and well-presented town house in a prime location only a few hundred metres from the Moe train station. Being approx. only 7 years old you get all the mod cons you'd expect, while ticking all the boxes for those wanting a home that doesn't warrant all of your time and attention with maintenance.

There are 3 very generous size bedrooms all with built in robes as well as an ensuite to the master bedroom.

The open plan living area incorporates a spacious lounge room and dining area off the well-appointed kitchen.

Central gas heating, split system, dishwasher & tank water for the toilets and garden,

The double car garage comes complete with a PA door direct into the home as well a remote-control door access.

If that isn't enough, how good is the location being just a short stroll to the Train Station, CBD, Medical centre, schools and sporting venues.

This town house is strata titled and is on a block with one other town house, both are for sale so you will have the choice of the rear home or the front, both properties offer privacy, are comfortable & require very little up keep.

This is a great opportunity to take advantage of a simpler lifestyle.
