2, 41 Langford St, Moe

A Touch Of Class

Strzelecki Realty are proud to present this well built and well-presented town house in a prime location only a few hundred metres from the Moe train station. Being only approx. 7 years old you get all the mod cons you'd expect while ticking all the boxes for those looking for a home that doesn't warrant all of your time and attention with maintenance.

The open plan living area is the heart of the home and incorporates a spacious lounge room and dining area off the well-appointed kitchen. The modern kitchen features a gas cooktop, dishwasher, double sink and plenty of storage space.

There are three very generous size bedrooms each with built in robes and the master with its own ensuite.

Other features to the home include; central gas heating, split system & tank water for the toilets and garden.

The double car garage comes complete with a PA door direct into the home as well a remote-control door access.

If that isn't enough, how good is the location being just a short stroll to the Train Station, CBD, Medical centre, schools and sporting venues.

This town house is strata titled and is on a block with one other town house, offering privacy, comfort and convenience.

This is a great opportunity to take advantage of a simpler lifestyle. Call Strzelecki Realty today on (03) 5127 1333 to arrange your private inspection.
